

## ***SOME UMPIRING RULES***

### **Areas for Umpiring**

When umpiring, you umpire the areas that are shown below. Each umpire controls:

1. The sideline s/he is standing on - for throw ins only
2. The goal line to her/his right
3. The half of the court to her/his right

You will umpire these areas for the full game

***Always umpire ONLY in your own area unless the other umpire asks you for help***

### **First Centre Pass for the game or quarter**

The umpire who controls the half into which the ball is going controls the centre pass

### **Other centre passes throughout the game**

The umpire in whose half the goal was scored controls the next centre pass

### **Calling infringements**

Blow your whistle

Name the infringement and player who infringed

Name the penalty

Eg Stepping Team X Player V Free Pass Team Y

Stepping Seaforth Centre Free Pass Harbord

### **Free passes are awarded for the following infringements:**

- |                          |                        |
